PERSONAL TASTES

Photos by Tammy Sands & Twisrts.com

Downtown L.A.'s Nibble Fest celebrates the 'hood's glacial renovation from blighted junkie wonderland to sleek condo village full of fusion eateries and, yes, junkies. But there's only so many Cajun-spiced tacos juggy Jaime Hammer and Lela Star can take before their minds turn to panty chow. Slipping down a dirty alley, Lela tastes Jaime's braised pussy. It pairs well with her own steamy clunge. They cum together after some furtive crotch grinding. *Mmmm. A hot lesbian mess—the truest taste of L.A.*

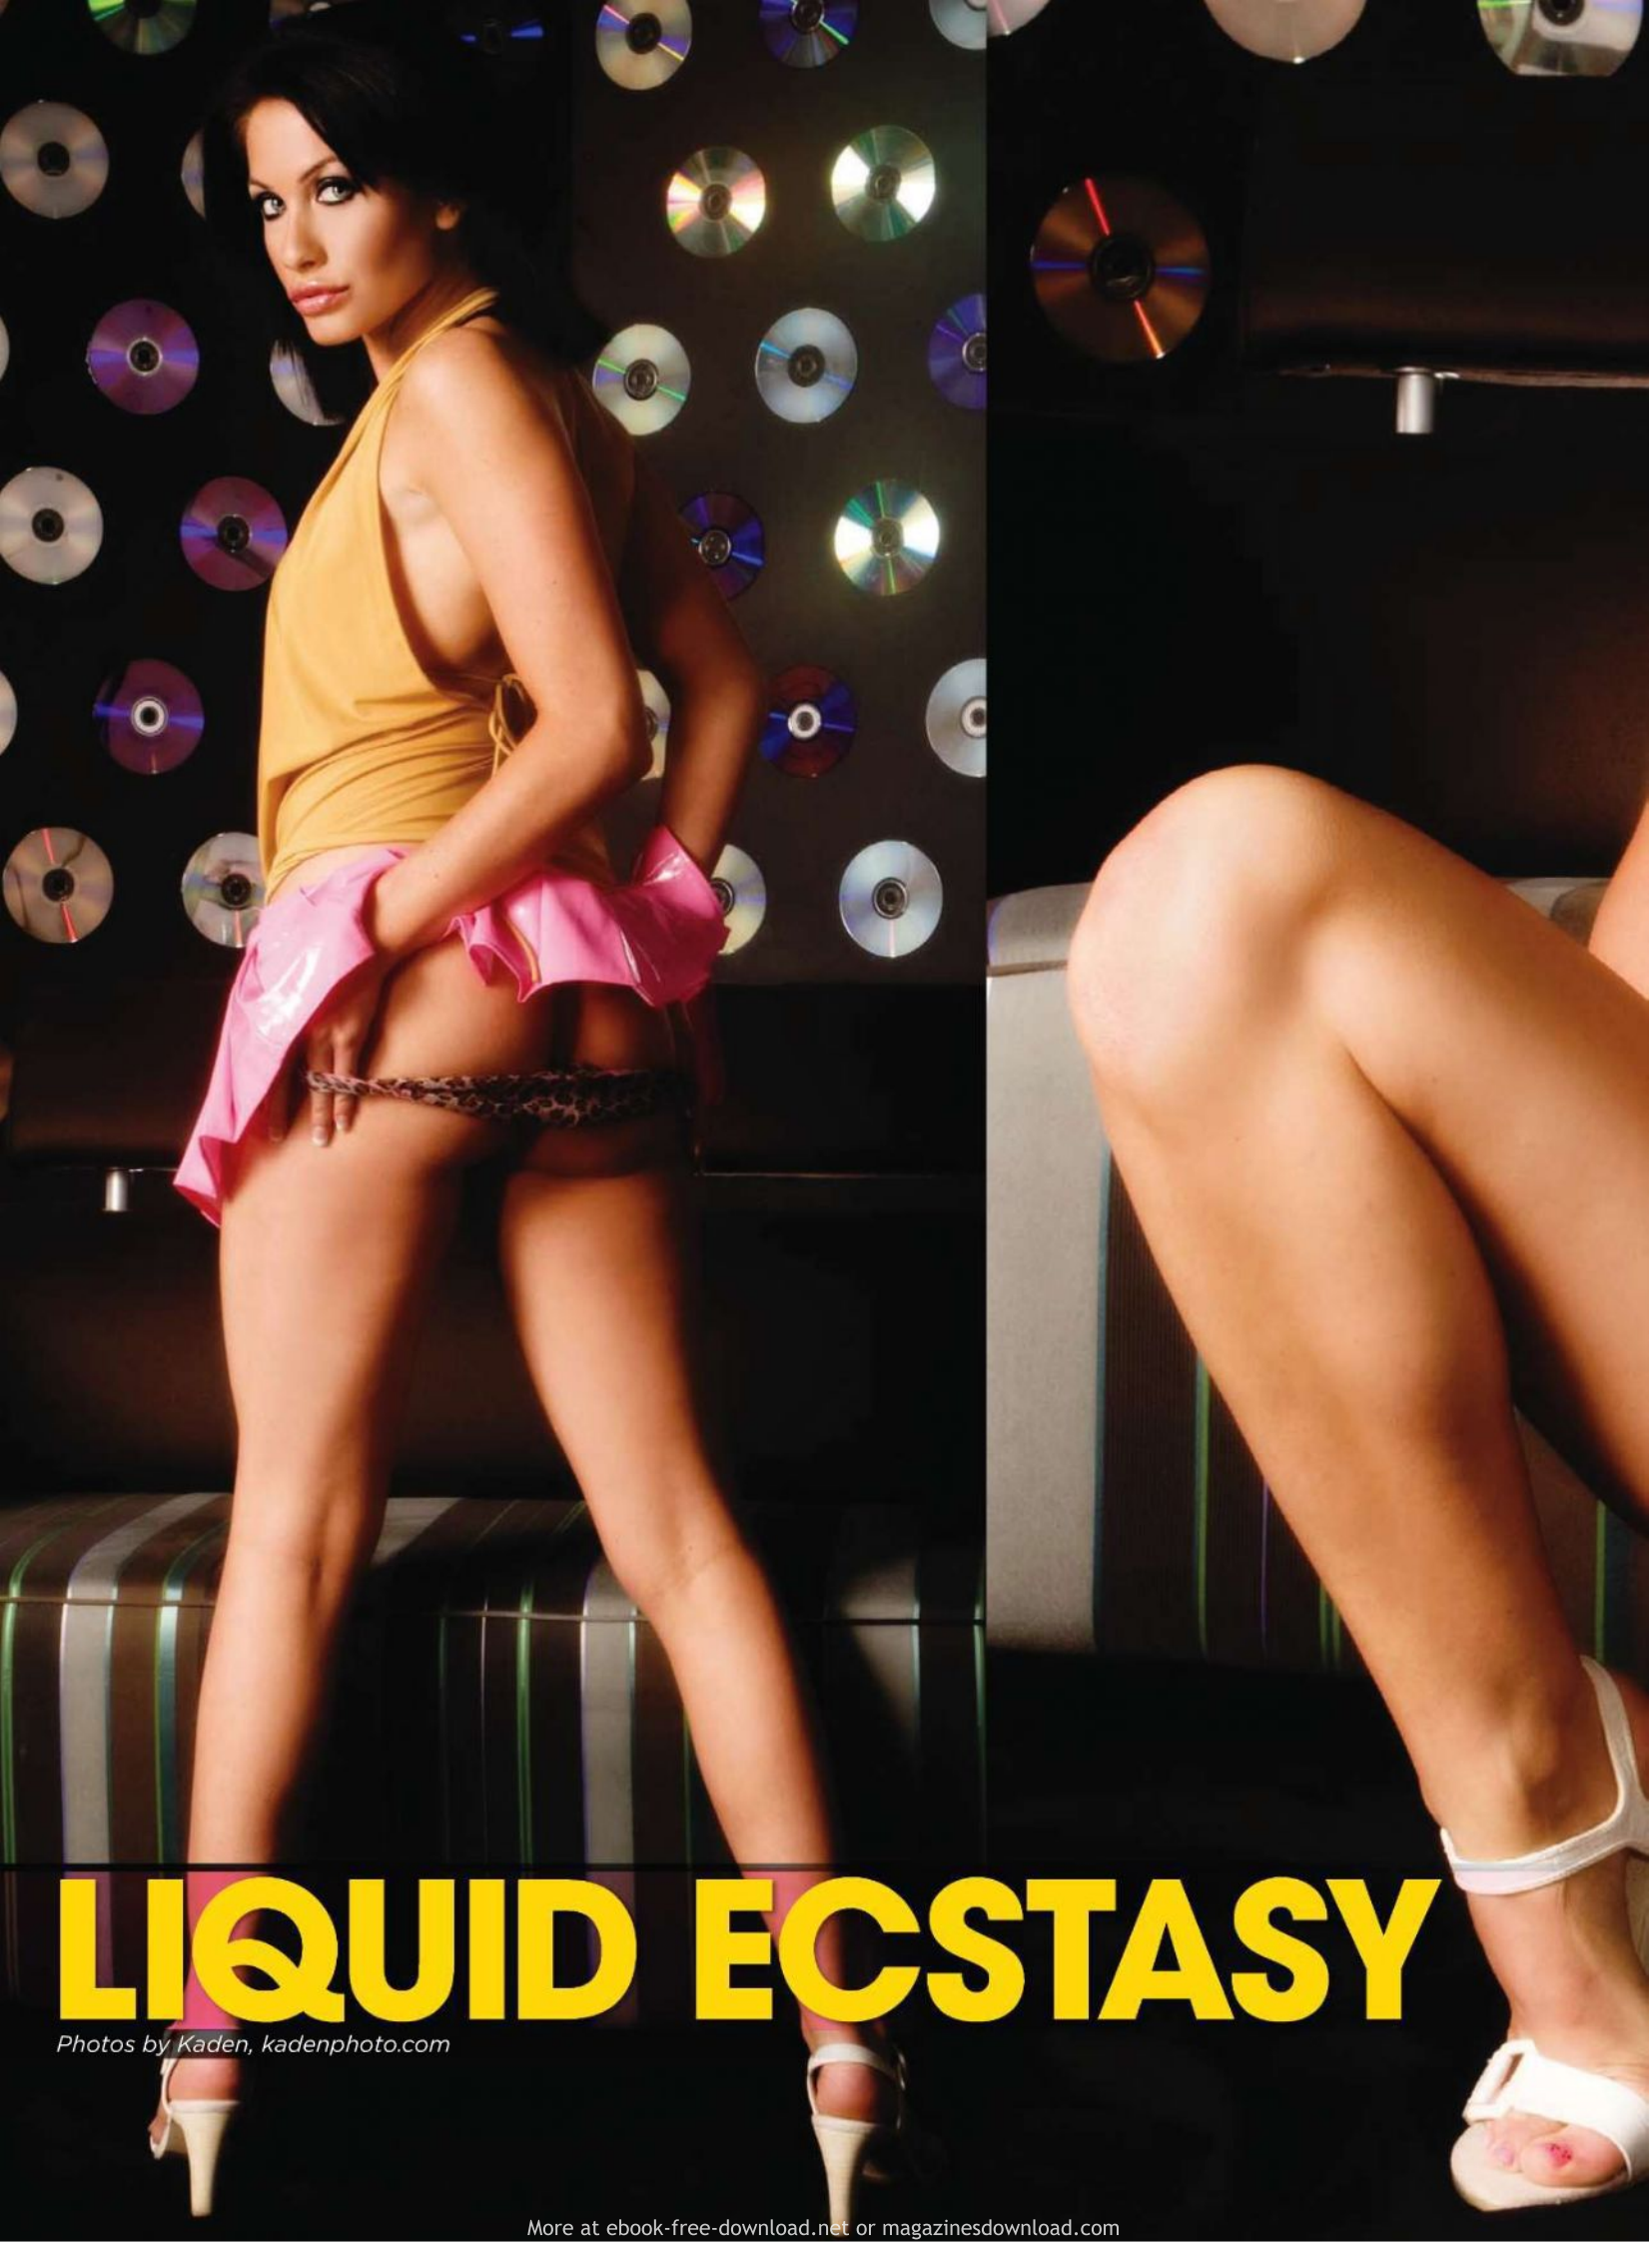

LIQUID ECSTASY

Photos by Kaden, kadenphoto.com

Most nights, the space morphs into a foggy mass of candy-flippers—ravers dancing to the electro-lullaby of trance music, the queue snaking through the industrial neighborhood outside. But the full-bodied euphoria Randi Wright seeks can't be had by rogue chemicals and glowsticks. She prefers orgasms. Her pussy tightens its juicy ring around her rude, probing dildo. Her senses heighten; her body stiffens. Her clit bud swells. She shivers and cums hard, her fingers drenched in hot tang. Her ecstasy-driven affair continues past sunrise.

ANGELINA JOLIE'S "NEVER-BEFORE-SEEN" PHOTOS EXPOSED!

A DISTURBING YET EROTIC GLIMPSE INTO HER DARK AND KINKY PAST!

ANGELINA JOLIE

In a set of never-before-seen pictures that give a disturbing yet erotic glimpse into her dark and kinky past, the *Salt* star is seen posing for the camera in a series of outrageous 1999 photographs. Lying comfortably back on a friend's sofa while reportedly getting Billy Bob Thorton's name intimately tattooed below her bikini line, Angelina is the pure picture of seduction. With what appears to be a black belt gently draped around her neck and with small strips of black tape covering her hard, elevated nipples, Angelina smokes on a cigarette while striking still another sultry pose!

IRMA NICI

Well, here she is **HIGH SOCIETY** fans, Irma Nici, the infamous 26-year-old former prostitute who recently told *In Touch* magazine that she had a steamy affair with soccer superstar David Beckham—and was paid \$10,000 just to spend the night with him. According to Nici, the couple had sex for approximately 15 minutes and the alleged bedroom antics involved “nothing freaky”. In a worldwide exclusive, Nici told *In Touch* that she slept with the handsome footballer five times in 2007 and that her paramour was “very gentle and kind.” Nici went on to rate Beckham’s lovemaking abilities, dishing out a “7 1/2” on a scale of 1 to 10. Beckham (inset) denies the allegations and has since sued *In Touch* and Nici for libel, slander, and intentional infliction of emotional distress as a result of the article. Stay tuned, sports fans!

ANGELIQUE "FRENCHY" MORGAN

Reality star Angelique "Frenchy" Morgan shoots with a team of cameramen for her upcoming *Where Are They Now* series for VH1. Here she's lensed during still another failed bikini top switch—which naturally led to a wardrobe malfunction of mega proportions. HIGH SOCIETY readers may remember Ms. Morgan from her exotic dancer days and appearances on *America's Top Model*, *Dr. 90210*, and *Rock of Love 2*, starring Bret Michaels (inset). Sadly, the Paris-born blonde bombshell was eliminated after only 3 episodes on the show.

ANAL RETENTION

Photos by Jules Bart

Despite her decorous, genteel rep in elite Budapest social circles, Katy withers from flower-of-society to wilted rose after mojitos with Nick at a Vácer Street dive. He plumbs her twat for lube then squeezes inside her tight yam. Her plush little asshole is a firm, filthy handshake. Grabbing her hips, he pounds until daybreak; her butthole a fondue pot full of cum. Not since the Red Army left in '91 has a Hungarian been so wholly ass-fucked.

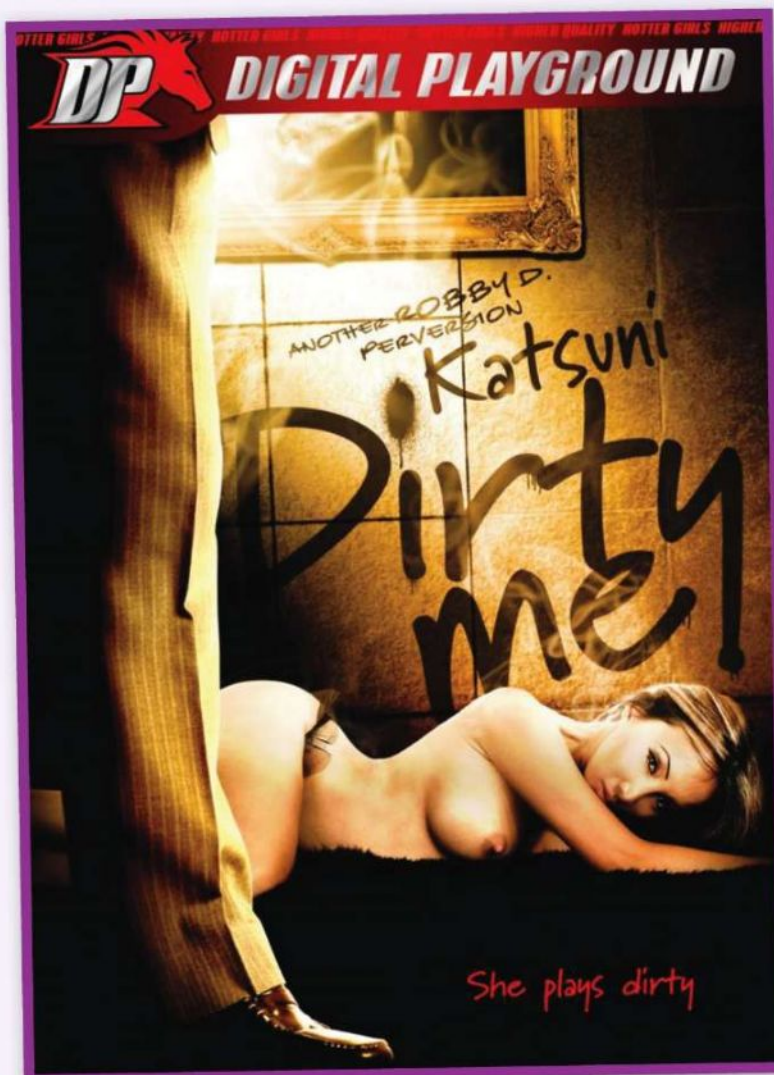

KATSUNI

THE HIGH SOCIETY INTERVIEW

HAVING A TOP ADULT PERFORMER GRACE THE PAGES OF *HIGH SOCIETY* IS OFTEN AN EVENT, BUT WHEN THAT INDIVIDUAL TURNS OUT TO BE KATSUNI, ONE OF PORN'S MOST ACCOMPLISHED PERFORMERS, WELL, THAT'S A FUCKING *HAPPENING!* THAT'S BECAUSE KATSUNI HAS WON VIRTUALLY EVERY MAJOR AWARD THE INDUSTRY HAS TO OFFER AND SHE'S APPEARED IN MANY OF THE BIGGEST ADULT PRODUCTIONS DURING THE LAST FIVE YEARS (*FASHIONISTAS 2* AND *3*, *PIRATES 2*—TO MENTION JUST A FEW). SHE CURRENTLY STARS IN THE DIGITAL PLAYGROUND EPIC *BODY HEAT* AND CONTINUES TO PERFORM ON STAGE, SCREEN, AND THE WEB TO AN AUDIENCE THAT REACHES ALL THE WAY FROM NORTH AMERICA TO EUROPE TO ASIA. KATSUNI IS A LIVING LEGEND AND A PERFORMER WHO CONSISTENTLY RAISES THE BAR WITH HER EVERY PERFORMANCE.

HIGH SOCIETY: *What do you like most about doing porn?*

KATSUNI: I get to have great sex. That was my reason for going into porn. I also got to meet a lot of different kinds of people, a lot of different opportunities. So first and foremost I love sex, but I've learned a lot everyday about myself and it has allowed me to travel and to do many things.

HS: *What do you credit your incredible success in porn to?*

K: Because I like what I do and I do my best to show you. A lot of people are in porn maybe for not the right reasons, but for me it's very different. I love what I do and I take it seriously, but I do not take myself too seriously. It's a balance between having fun and being professional.

HS: *Do you feel you are one of the best performers in porn?*

K: I've won many awards around the world throughout my career, so it seems for the industry I think I'm one of the best

ones, but everyday we have new girls that are also good.

HS: *Is there a particular award you've won that you are most proud of?*

K: I really liked the award I won for *Fashionistas*. It was for acting and usually I get awards for my performance in anal sex, for group scenes, or boy/girl. I'm really proud of that award.

HS: *Before porn were you very sexually active?*

K: Before porn I was very, very sexually active, but I started very late. I had my first sexual relationship when I was 19 and I started doing porno when I was 21. Between 19 and 21, I just wanted to try anything. Before porn I was already doing anal, deepthroat, DPs and girls. For me it was natural to have a lot of sex.

“Before porn I was already doing anal, deepthroat, DPs and girls. For me it was natural to have a lot of sex.”

HS: *Outside of porn do you have a lot of sex when you're not working?*

K: It depends. I won't lie, I can have sex three or five times a day and then not have sex for months sometimes. I'm looking for quality. I don't like to have sex just because. I'm very, very picky.

HS: *So if you're picky, how can a guy win his way into your bedroom?*

K: I love guys who love women because it's not just about having sex, and a lot of guys like having sex. For me when I am with somebody, I don't care if he has a lot of experience or not. Of course I prefer if he has lots of experience because I like to learn from somebody. For me, I like when a guy is into me and looks into my eyes. Sex is not just about making the penetration and cum. It's about the before and after. I'm not too sure there are a lot of men that I have met who were like that. For a lot of people sex is just fucking. Like, “OK, let's have sex,” and done. I can't be like that.

HS: *Would you say French men are better lovers than American men?*

K: I would say men are the same all over the world. [Laughs] In the end, men are all the same. Sex is very international.

HS: *Which films are you most proud to have been a part of?*

K: Of course *Fashionistas* for me is Number One. It was a huge project, it was

just more than a porn movie. Of course the sex was great. I did two very good scenes. But it was just so much more than that. It was a really different experience. It was meant to be really exciting. I did a movie for Wicked Pictures, *FUCK*, and it was one of my most beautiful scenes. I have many more such as *Pirates 2*. I have a few new movies coming out.

HS: I know you are in *Body Heat*. Can you tell me about your character in the movie?

K: In this movie I play the captain of a firehouse. I'm not a nice girl. I'm the one who likes to dominate the other ones. My character is very dominant. I do a very beautiful scene in the shower and I do an orgy scene with all the Digital Playground girls.

HS: Are you happy being with Digital Playground?

K: Yes. We've been together four years. I'm very happy. We just came to a decision to let me go to do what I want to do. So I'm going to work again with other companies now. But still I keep a great relationship with Digital Playground because they are on the top. They make great movies. I like going to work because it's very easy. We always have fun. For me I can't complain. I'm very happy and I can't wait to do movies with them again.

HS: Do you have any sexual fantasies that one day you would like to have come true?

K: I always had a fantasy about firemen. I love firemen, American ones. And I have other fantasies in my real life. I would like to have sex with as many people in real life. I'm ready to meet people and have sex with people I don't know. It could be very exciting. It could be somebody big or small. Somebody from FedEx, it could be anybody.

HS: You're well known for anal sex. Do you have anal sex in your real life?

K: Yeah, of course. I wouldn't do that in

my scenes if I didn't like it in my regular life. I don't do things in my job I don't like. In every scene I do, I do it because I like it. So yes, I do anal in my real life.

HS: Why do you enjoy anal sex?

K: Try it. [Laughs] It's very good. In the beginning I did it with my boyfriend and I had no idea how much it could be good. At first anal sex is more mental. Mentally it's very exciting. Physically, it's very possible to have an orgasm during anal sex.

HS: Did you ever do DPs in your personal life?

K: Yes, of course. Even before porn I liked

to do it. I used to do gangbangs before I was in porn. I used to have many guys at the same time. [Laughs] I'm not innocent. [Laughs]

HS: Are you a very dominant or submissive person in your personal life?

K: I'm both in my personal and professional life. I chose. It's an issue of the chemistry. If I feel like my partner is not too strong, I like to dominate. I like to dominate girls.

HS: Do you masturbate a lot?

K: [Laughs] This is a great question. Yes I masturbate a lot. I like to use my finger or my vibrator. Of course I touch myself when

"If I feel like my partner is not too strong, I like to dominate. I like to dominate girls!"

I do live shows on my webcams for my website. In my personal life I really like to masturbate when I'm very horny or need to have sex or I need to please myself. It's better than a good glass of wine.

HS: *In your personal life, do you like girls?*

K: Yes. It's very new in fact. I always liked girls, but I didn't concentrate on them sexually until three years ago. For years, I was only having sex with girls for my job and it was just a job for me. I was working with many beautiful girls so it was really nice. But now I work with girls as much as I work with guys and I like having sex with girls. Today I can now say I'm bisexual, and if I could have sex with a girl in my personal life I do. I like to sleep with girls. It's a very nice feeling.

AT HANG TIME

Photos by MARK LIT hicksphoto.com

What's not to love about **Bree Daniels**? Those perfect tits hang just right as Bree bends over for inspection. A closer gander at her shaved snatch and waxed asshole will make your cock stand at full attention! She's clean but she's dirty. She's sultry but she's innocent. Bree's whatever you want her to be—we're just glad she's our sexy centerfold this month!

ALL ANAL ALL THE TIME!!!

David's got a bit of a reputation in the Porn industry for being a little fixated on anal. He loves the feeling of fucking a young girl's asshole until he stretches those "purple rings of Saturn." Amabella & Honey Demon let David pack their ass cracks full with his throbbing cock, and sure enough their tiny, tight pinhole posteriors stretched and shifted until—*whammo!*—those amateur assholes gaped in the glory of a grandiose butt-fucking!

DEEP CLEANSING

It's important for a young slut to wash herself thoroughly. All that cum stuck to the walls of her asshole. Inner thighs coated in pussy juice. Lots of sex makes for lots of mess. So it's time to put on those industrial-strength rubber gloves, get in the shower, and wash away the day's shame. And while you're in there, it's okay to shove phallic-shaped objects up your ass and deep into your twat—we know there's nothing quite like fucking a clean hole!

BANG THAT BLACK BITCH WHITE BOY #5

BELLA MORETTI

COFFEE BROWN

BROOKLYN CARTER

ALIX AMILLION

DESTINY DAY

STARRING: BELLA MORETTI, COFFEE BROWN, BROOKLYN CARTER, ALIX AMILLION AND DESTINY DAY WITH MICHAEL STEFANO, JENNER AND MARK WOOD **DIRECTOR:** MARK WOOD **STUDIO:** RED LIGHT DISCTRICK

THERE WAS OUTRAGE IN THE '70s WHEN MICK JAGGER SANG, "BLACK GIRLS JUST WANNA GET FUCKED ALL NIGHT/I JUST DON'T HAVE THAT MUCH JAM," BUT DON'T THINK THE STONES SINGER DIDN'T KNOW WHAT HE WAS TALKING ABOUT.

THE FIVE TRAMPOLINES IN *BANG THAT BLACK BITCH WHITE BOY #5* ARE EAGER AND DEMANDING, USED TO WELL-HUNG CATS WHO AREN'T AFRAID TO SHOW THEM HOW IT IS. DIRECTOR MARK WOOD BRINGS IN A COUPLE FRIENDS WHO ARE UP TO THE TASK AND ANY SASS IS MET WITH A HAND TO THE ASS AND A COCK IN THE PUSS. IT WORKS EVERY TIME.

BELLA MORETTI, COFFEE BROWN, BROOKLYN CARTER, ALIX AMILLION AND DESTINY DAY ARE THE LUCKY BROADS WHO TAKE A WALK ON THE WHITE SIDE AND WHO KNOWS, MAYBE THEY'LL NEVER GO BACK. IF THEY DO, THEY BETTER WIPE THE JIZZ OFF THEIR FACES OR THEY'RE GOING TO HAVE A FUCKLOAD OF EXPLAINING TO DO.

BELLA MORETTI White Boy: Michael Stefano

With her bubbly ass, perky tits and heat-straightened hair, Bella is Michael's dark dream come true. She teases him by shaking her ass and running long, slim fingers across her chocolate kisses, then steps up jerking his fat cock into her mouth. "Nice dick, white boy," she tells him. "It's

big, but you've gotta be able to use it."

He tells her to hop on for a test drive. Her nipples dance across his lips as she leans over, lowering her shaved gash onto his prick. Saving judgment for later, she says little, but her moans reveal an early verdict: the black bitch loves the cracker cock. She turns around for the camera and smiles almost guiltily about how much

she's enjoying his prick deep in her hole as she grinds, cumming on his pale pole.

With Bella at his mercy, Michael shoves his dick in from behind, playing with her ass until he builds his load up. Ready, he tells her to get on the floor and prepare for a milk mustache. He plasters her face with his paste, giving her a full goatee of his cream.

Bella spreads for a side-winder!

Cream with your hot
chocolate?

COFFEE BROWN White Boy: Jenner

After the slender-limbed Bella, Coffee comes off slightly boxy, but there's no need to write the girl off so fast. Jenner loves her smile, her enthusiasm and her pink snazzola when she spreads her hole open to give him a peek. He's hard even before she can get her hands and pierced tongue on his dick.

She's ready to go, too, and wastes no time getting on top, where she suddenly turns into a doll-eyed sex kitten, her pink gash welcoming his gringo stick into her velvety goodness. "I want you to get behind me and fuck me like a brother," she says. "Smack that motherfuckin' ass while you jam me good." It's less an invite than a demand and Jenner does what she says, if only to put him into a position to show her who's boss.

He rides her hard and she cums easily under his domination. He pounds her in missionary before ordering her to ride his cock until she can coax out his cum. It's not long before she is kneeled in front of him getting splashed with his clear gel, which runs across her face and down her cheek, dribbling to the floor.

Brooklyn's always
lookin' for a Vanilla
Thrilla'!

BROOKLYN CARTER **White Boy: Mark Wood**

New York-named Brooklyn is all smiles with new-girl nervousness, and it's dreamy watching the fresh meat reveal her flesh: small, light titties and a pussy shaved clean for her new career in front of the camera. Mark has had his share of first-timers and knows just how to relax a girl: by showing her his cock.

It works every time and Brooklyn rubs her fat-lipped cunt with relief as she sucks his dick, anxious to fuck under the hot lights. She rides him cowgirl first, Mark letting her get comfy while giving us a glorious view of her ass as she settles in. Then Mark goes deep with the doggie, trying to see if the girl has what it takes. His dick fills her big cooch, something not many guys can do, and she's quickly under his spell and screwing like a pro.

By the time she gets on his jammer again she's cum twice and talking dirty. She begs him to unleash on her face and when he says he's ready the girl jumps down like a seasoned vet and takes a load in and around her mouth that she'll remember forever..

ALIX AMILLION
White Boy: Michael Stefano

Alix struts across the wood floor in her hooker heels like a million-dollar midnight and Mike can't even pretend not to notice. His hand is in his pants as he watches her undress. The top comes down first, revealing knockers that practically ring his bell and an ass that almost makes him cum before he can unzip.

His dick is in her mouth almost before she can get her panties off. "So are you going to fuck me with that thing or not?" she asks impatiently. "My friend said you were good, but I want to find out for myself." He invites her up and she is pleased, her lips slowly allowing his cock into her tasty center. But it's when he gets in behind her that protocol gets thrown out the window. She's screaming, he's pumping and more than once he has to slow things down to keep it together. When he regains his composure, he fucks her good, then pulls her down on her side and sprints for the finish line.

The bitch is thirsty, so when Michael pops his wad, hardly a drop hits her face. She needs the power drink and sucks it all out, gulping hard as it goes down. "Damn, white boy, you really are good!"

Oh yeah, suck that
white cock!

DESTINY DAY White Boy: Mark Wood

Mark saves the best for last—and for himself. Destiny is a curly-haired bundle of fuckable joy and Mark makes sure we see that before he takes her snatch, getting long shots of her slim frame with bumps in all the right places.

She sucks him off with no hands, but it's not the mouth Mark is aiming for. He gets right down to business, bending Destiny over the couch and giving her the shaft as her boobs dangle playfully and she moans as though she's in heat, her hand hanging on to her bumper as he goes from zero to 60 faster than she can say, "I'm legal."

After several minutes of hardcore ramming, he lets Destiny get on top for a change. Her pussy is beautiful, darker than her skin and tight on his dong. With her hands on her chest, she's a pale rider, bouncing excitedly until Mark calls for reward time. She gets face-to-cock and Mark gives himself a couple of tugs before her mouth overflows with his load, the remaining splurts hitting face, tits and hair, bringing a white smile to that black face.

Your Destiny is *doggie* on this here couch.

The moment Puma Swede posted her Craigslist ad, thousands of grainy pecker pictures began surging through her router like chunky wads of emailed jizz, jamming her inbox. The laptop crashed. Nikki Benz howled, "THE PORN MACHINE!" Gravity seemed to pull the hippo-titted blondes into a tight, calming embrace. Nikki was incredulous. "Who answers personal ads with j-pegs of their junk, anyhow?" Puma's emerald eyes widened. "*Personals?* I was just trying to sell the mower!"

"History is hard to know, because of all the hired bullshit, but even without being sure of 'history' it seems entirely reasonable to think that every now and then the energy of a whole generation comes to a head in a long fine flash, for reasons that nobody really understands at the time—and which never explain, in retrospect, what actually happened."—Hunter S. Thompson, *Fear & Loathing in Las Vegas*

While Anita Thompson claims the telephone conversation that Sunday evening with her husband, Gonzo writer Hunter S. Thompson, was cheerful and heart-shaped, the clicking noises she heard were actually the sounds of the safety snapping off his fully loaded

semi-automatic Smith & Wesson 645 revolver. According to her, he put the phone down, stuck the barrel in his mouth, and sucked down a single shot of searing lead. The bullet tore through his oral tissue, ripped through his vital membranes, blistered through his brain grit and shattered the back of his skull.

The Fear and Loathing gushed out of Hunter S. Thompson's powder-burnt wounds, slowing to drips and drabs as his life stopped with his stiffening heart.

Though the .45 caliber "suicide" blast heard at 5:42 p.m. that evening was muffled only by whatever silencing effect a human mouth has on a high-powered concussive explosion, the 32-year-old blonde former professional

"snowboarding nanny" seemed unsure of whether she had actually heard it or not. She told one local newspaper that she definitely heard a bang and a second paper that she had only heard the clicking noise and then hung-up when her husband didn't return to the phone. Most people can in fact differentiate a gunshot from a click. Some, a tree falling in the woods. The bloody snarls of a nearby dogfight. The drunken squeals of a flabby French prostitute being drilled in the ass. Some can even hear a pin drop. Hunter almost always used the speakerphone when talking to friends and family. If he was on the handset, whom was he trying to keep from hearing the conversation?

Buy The Ticket, Take The Ride

Surely, the 67-year-old had been having a bad time of it—his natural creative agitation, his frenetic life force had been curbed by confinement to a wheelchair for most of the last six months due to surgery.

But he had been in good spirits, according to friends.

And the doctor of journalism had an ESPN column to write. Anita was coming home to

assist. Sure, they had been arguing lately, but Anita said in their last conversation that Hunter was contrite, forgiving. Even sweet.

Whatever last in-draw of breath he could pull into his lungs with the steel barrel stuffed in his mouth, whatever final truths or complaints

was the sound of a book falling over.

And despite Hunter's *soi-disant* claims of his home as a "fortified compound," it was much more of the first. The living quarters weren't nearly as labyrinthine as some would guess. In fact, when Johnny Depp lived there while

in a gurney while getting his ass kicked at Battleship by some Terry Schiavo?

JUAN THOMPSON FOUND HIS FATHER WITH A HOLE IN HIS HEAD SITTING IN FRONT OF HIS TYPEWRITER. LOADED INTO THE TYPEWRITER WAS A PIECE OF FOURTH AMENDMENT FOUNDATION LETTERHEAD AND ONLY A SINGLE, ENIGMATIC WORD: "COUNSELOR."

he could mumble as the trigger was pulled could not match the muzzle velocity of the handgun blast.

But Anita wasn't the only one rendered momentarily deaf by the shot that night.

Hunter's son, Juan, a 40-year-old computer tech, was visiting Hunter's Owl Farm, with his wife and young son that night. Juan was the one who found Hunter's body. His story never strayed from the original, but is equally jarring for its almost cavalier lack of circumspection: He said he had heard a noise, but thought it

studying up for his role in the movie "Fear and Loathing in Las Vegas," the A-lister was sent to live in the basement.

Juan and his family couldn't have been too far from the fatal scene. But a book?

Had Hunter S. Thompson exited the way he had been threatening to for years? He admired Hemingway for going out that way. But why not use a shotgun like Papa? Make sure the job was done. A handgun is not a 100 percent guaranteed kill shot. Who wants to spend his golden years with half a face, soiling himself

The Death Of Fun

Juan Thompson found his father with a hole in his head sitting in front of his typewriter. Loaded into the typewriter was a piece of Fourth Amendment Foundation letterhead and only a single, enigmatic word: "Counselor."

Hardly an explanation.

What exactly happened next and just how fast it happened is up for debate.

It's clear that Juan took a gun outside and fired several bullets into the cold Colorado sky as a salute to his dad. The emergency crews arriving on the scene recalled hearing shots fired. Given his love of shooting both indoors and out, the phrase "shots fired at Owl Farm" was hardly cause to call out a SWAT team, but local Pitkin County deputies did arrive. At some point Juan walked into what was now a crime scene and covered his father with some kind of sheet.

After either hearing the love of her life shoot himself or not, Anita, really more of a fourth-place ribbon than a trophy wife, hurried home after yoga, without, she made it a point to say,

so much as fully conditioning her hair.

According to the downward dog devotee, she also found the time to enter the crime scene and have a glass of Scotch with her dead husband.

It was truly a strange and quiet death for a man who lived to make noise.

Woody Creek, Colorado was, at least at one time, the anti-Aspen. It still is a relatively rustic unincorporated hamlet where the Rockies haven't been gelded of their rustic Western reality. It's a place where a person could still get drunk and wander off into the night, fall

dramatic towards the end." She pauses. "We had pretty loud fights. We were pretty intense people." Including one particularly intense quarrel involving guns the very day Thompson is alleged to have killed himself.

According to the *Sunday Times*, the scene unfolded like this: "He was pointing a pellet gun around the house and aimed it at a gong next to my head," says Anita. Although the image of Thompson capering around with an air rifle could have come straight from the Fear and Loathing archive, Anita was not amused: "I had never seen him act that

more facts that have slipped out in the last five years, the more it looks as though there is a missing piece here. It's very possible they never had the right puzzle to put together in the first place.

In a February 26 article in the *Toronto Globe and Mail*, Thompson friend Paul William Roberts suggested that he might have been murdered.

"Hunter telephoned me on Feb. 19, the night before his death. He sounded scared. It wasn't always easy to understand what he said; particularly over the phone, he mumbled, yet when there was something he really wanted you to understand, you did. He'd been working on a story about the World Trade Center attacks and had stumbled across what he felt was hard evidence showing the Towers had been brought down not by the airplanes that flew into them but by explosive charges set off in their foundations. Now he thought someone was out to stop him publishing it: 'They're gonna make it look like suicide,' he said. 'I know how these bastards think.'"

"The gun that Hunter shot himself with was a semi-automatic," admits Anita. "Normally, when you shoot a weapon like this, the next bullet goes into the chamber; but in this case there was no bullet in the chamber."

In his report, Deputy Ron Ryan noted the semi-automatic gun possibly used to snuff-out Hunter was in "unusual condition."

Anita later said she received several disturbing photos from the scene of the crime that "turned everything I was told about that day on its head." And then she stopped talking about it.

Was gonzo author of the Modern Library classic *Fear and Loathing in Las Vegas*, political eccentric, and explosives enthusiast Dr. Hunter S. Thompson brutally and sadistically snuffed-out like a 50-cent disco hussy at a sleepover with Joran Van Der Sloot?

Hunter had at least two hard-hitting stories in the works when he died and a nemesis in The White House at the time of his death. For years he was best known as perhaps President Richard Nixon's biggest and most vocal critic, yet Thompson said he would easily vote for Tricky Dick over George W. Bush any day. In *Kingdom of Fear*, Thompson referred to W. as "a loud meaningless animal with no functional intelligence and no balls." Hunter claimed to have seen Bush at the 1974 Super Bowl. His memory was not always the most reliable, but he said on multiple occasions that he might have seen Baby Bush slinging nose candy like he was accused of doing while at Yale. Where else would a straight yuppie cracker like Bush get enough natural pep to be a cheerleader?

On 9/11, a prescient Hunter saw what was happening and immediately called "bullshit." *Cui bono*, he wondered? While 90 percent of the country were talking bloody revenge against the shadowy Bin Laden and his network of terrorists, the answer was obvious to Hunter: The government is going to benefit more than any one else.

Thompson predicted "the goofy child president will declare a National Security Emergency and clamp down Hard on everybody, no matter where they live or why."

"Whoever put those All-American jet planes

NEARLY FIVE YEARS AFTER HIS REMAINS WERE SHOT FROM A GIGANTIC CANNON IN FRONT OF A DIVERSE GATHERING OF 200-SOME LOCAL COHORTS, FAMILY MEMBERS, AND A FEW WELL-HEELED CELEBRITY SUCK-UPS, THOMPSON'S ASHES STILL HAVEN'T BEEN ABLE TO REST IN PEACE.

down in a snowy ditch, and not be found until spring. But Aspen has been slowly greasing its way up the hills and shitting out "winter chateaus" for the morosely well-to-do, like Botoxed, bottle-service beast and Speaker of the House Nancy Pelosi. Aspenites are an uncouth, moneyed class. It looks and feels like a ghastly Hollywood movie set pre-equipped with enough toxic Gucci monogrammed coke-spoon-wearing extras and self-absorbed collar-popping, pulpy-white hot-tub rapists to fill Yucca Mountain three times over. A place full of people who fuck everyone in town and then spontaneously break into catfights when somebody gets called a whore.

Woody Creek was a place where a writer could go out into his yard and shoot blindly at what was "most likely" a prowling bear, cap an unfortunate typewriter, or unload a magazine at a pile of propane canisters in the middle of the night. Extra-Second Amendment decadence was so common at Owl Farm over the last 20 years that the place often sounded more often like a terrorist training camp than the quiet mountain retreat of a great American writer.

The glory days were over. Hunter had watched a good friend, musician Warren Zevon, diagnosed and dead quicker than most people could Wikipedia who he was.

Nearly five years after his remains were shot from a gigantic cannon in front of a diverse gathering of 200-some local cohorts, family members, and a few dozen well-heeled celebrity suck-ups, Thompson's ashes still haven't been able to rest in peace. Questions linger; inquiries into the circumstances behind his "suicide" have been hushed-up by the close-knit, sometimes almost cult-like Woody Creek community.

In an interview given in the March 23, 2008 edition of the *English Sunday Times*, Anita Thompson admitted that her relationship with Hunter's family is almost non-existent and the two sides don't speak.

She also admits to having quite a tumultuous relationship with the doctor of gonzo journalism around the time of his untimely death. "We were always fighting," Anita admits. "We started fighting almost the day we met, but the fights were pretty

crazy around the house. He was very careful and responsible with guns. This was the first time I had seen him be so sloppy—particularly with [his seven-year-old grandson] Will in the room."

A feral mountain slut after Thompson's writing royalties? Maybe. Possibly deaf in one ear? Possibly. But a calculating cold-blooded killer? Doubtful. Marrying Hunter was as far as Anita seems capable of carrying the zeros in this equation.

Posting on her blog just 24 hours after the incident, Anita writes, "It is 24 hours later now, and we are not getting much information about the five Ws of this thing. The numbers don't add up. I am confused."

Juan claimed that his dad dictated a codicil to his will as he lay dying. There was also a check that seemed to be written hastily by a semi-conscious Hunter and quickly cashed by the 40-year-old computer geek.

His last sentient conversation with his father pre-bullet, was not a Lou Gehrig speech—it was about business.

Anita fought the codicil, but refuses to go into detail about it. Although she freely admits that she "failed Hunter as a wife," she has been given the right to live at Owl Farm for the rest of her life—the cottonwood trees in the front yard, the heads of elk, the peacocks, dogs, the hawks, the owls, the deer...she is in charge of that. But Juan is still scrapping with her for the literary rights to Hunter Thompson's work.

Juan Thompson...nebbish? Utter disappointment to his father? Creepy? Don't know. Jealous of his new "mommy"? That's between him and his shrink. But there's not real motive here, either, just two "kids" fighting over daddy's shit.

Sad.

Predictable.

They're Gonna Make It Look Like Suicide!

The story from the mainstream media about the suicide came straight from the local coroner and local Pitkin County police. They insist that the icon simply put the .45 caliber gun into his mouth and ended it.

Despite the anomalies and half-assed investigation by the local authorities, the shooting was quickly ruled a suicide. But the

loaded with All-American fuel into the Twin Towers and the Pentagon did it with chilling precision and accuracy," he said.

Never Apologize, Never Explain

Four days before his possible suicide, Hunter S. Thompson wrote his so-called suicide note: "No More Games. No More Bombs. No More Walking. No More Fun. No More Swimming. 67. That is 17 years past 50. 17 more than I needed or wanted. Boring. I am always bitchy. No Fun—for anybody. 67. You are getting Greedy. Act your old age. Relax—This won't hurt."

But the only word he left on the day he stuffed a gun in his mouth powerful enough to blast a saltwater crocodile, pulled back the smooth trigger action, and released was the word "counselor"?

Counselor? Could Hunter S. Thompson's true intention possibly be a single-worded cryptic disclosure as his ultimate revelation? Not likely. Thompson was well known for his radical, fanatical, and relentless mumbling counterculture ranting. Regardless, the one-word message was unmistakable though unsatisfying.

Counselor. Advocate. Spokesperson. Partisan. Champion.

At the time of his death, Hunter was working on the 9/11 cover-up story and another about sex slave rings linked to the White House going at least all the way back to the first Bush Administration.

In late January 2005, a conservative journalist for something called *Talon News*, high-priced homosexual rent boy Jeff Gannon, was found to have gained continued access to the White House press pool despite using his sex worker name. Press Secretary at the time Scott McClellan knew who Gannon was yet regularly called on the professional cocksucker.

Used to blowing things, Gannon blew his cover on Jan. 26, 2005 after asking yet another one of his trademark rim job-soft questions to the president. So soft were the queries Gannon was dangling at W. that some people in the press accused him of being a political tea bagger, and angry but benign

spent the 1972 election on the campaign trail and been a witness to the self-immolating of political chaos and corruption since he was railroaded into the military as a teenager, Hunter knew there was much more to "Gannongate" than Jeffy-boy's "discreet \$200 an hour services." Hunter had spent his own share of wasted hours listening to sycophant pleasure politicians at a much discounted rate than Gannon charged.

SNUFF FILMS? SATANIC CULTS? HAD HUNTER THOMPSON STUMBLING UPON PROOF OF THE MOST UNTHINKABLE CRIMES COMMITTED BY AMERICA'S MOST POWERFUL ELITE?

Internet urchins began looking into Gannon's background, which turned out to be virtually non-existent.

Talon News, it turned out, was basically a GOPPAC (Good Old Party Political Action Committee) and Jeff Gannon's journalist credentials consisted of two days of training at a \$50 "School of Journalism" that makes ITT Tech look like the doctoral program at MIT.

Turns out, Gannon was really Jeff Guckert aka "Bulldog," and though he might have been the greatest ass-licker of all time at his former job (having sex with men) he was using way too much tongue at White House Press Briefings to get away with his brand of extra-slobbery political brownnosing.

Hunter picked up on the story. Having

And Gannon bore quite a resemblance to a 12-year-old allegedly kidnapped and involved in a scandal that developed during George H.W. Bush's administration. The kiddie-rapper racket allegedly involved an unnamed White House official giving his own brand of "discreet" late-night tours of the White House to paid teenage butt-boys. Washington lobbyist Craig Spence long-figured to be involved in setting up the tours to blackmail officials committed a similar "suicide" as Hunter before he could confess. The allegations of children being kidnapped and sold into sex slavery for beltless inside-the-Beltway action seemed too bizarre for many to take seriously, even though the stories appeared in the *New York Times* and *Washington Post*.

Snuff films? Satanic cults? Blood-drinking,

bone worshipping druids at the top of the American government? Had Hunter Thompson stumbled upon proof of the most unthinkable crimes committed by America's most powerful elite?

A few years ago this might have been impossible to believe, but in light of what constitutional crusaders like Alex Jones have revealed from his behind-enemy-line reports of Illuminati homosexual orgies occurring at uber-elite retreats such as Bohemian Grove, it doesn't sound so far-fetched after all. Skull and Bones is, after all, hardly a week-night bowling club.

Though it is possible that there was in fact a conspiracy to silence Thompson, and no doubt there will be journalists investigating this in the years to come, the far-greater likelihood is that The Good Doctor's damaged psychological state combined with his all-too-real physical dilemmas caused him to bring about his own demise. As cultural critic Cintra Wilson puts it, "He was old and his brain wasn't working very well and his body was giving up and he didn't think life was going to be fun anymore because it probably wasn't. He was not the kind of guy who wants to be at the mercy of any of the diaper-changing bouncers in an assisted living facility...It ain't exactly the noble and generous way to go."

But even by Hunter S. Thompson's own standards regarding deadlines, by dying at 67 he was still 17 years late. Which seems about right. Yet totally wrong.

PACKING FOR COLLEGE

Photos courtesy of Diabolic's Filthy 3 www.diabolicweb.com

Today's job market demands degrees. Mya Nichole's online university offers college credit for life experience...or a credit card. The virtual ivory tower reshaped a drunken blowjob to a paralegal into a J.D. They converted her filthiest sex tape into a dissertation on double penetration. The wide-eyed professor sent a letter of recommendation for her prolapsed pooper. Qualified. Motivated. Mya is ready to fly. "Well," she shrugs. "I've always wanted to do porn...I guess college finally gave me the confidence."

We suggest you MARCH to your local newsstand and grab next Month's sizzling hot issue of HIGH SOCIETY. You won't want to miss the beautiful **Black Anjelika** taking the cock-stuffing of her lifetime! Then we found **Alektra Blue** looking extra nasty, willing to do *anything* we want—you've gotta see this! Plus sluts like **Patricia & Lucy Bell** share cock and swallow loads. Really, what more could you ask for? Grab your copy **December 28th!**
